### 1. 授業のねらい・概要 Course Aims

The aim of Core English is to increase students' ability to communicate in English about daily life topics. This course also aims to provide a foundation for further English study, such as for the Eiken or TOEIC tests, or for traveling abroad.

### 2. 授業の進め方 Course Progression

Students will have Core English twice per week. They will be with the same classmates and have the same instructor for the whole year. In each class, students will engage in topic-based conversation, listening, grammar and vocabulary exercises aimed at improving their knowledge of English as well as their communications skills.

### 3. 授業計画 Course Schedule

<u>Week</u> 1. Airport and Public Transportation 2. The Human Body 3. Illness, Injuries, Symptoms, and Disabilities 4. Hospital and Pharmacy 5. Jobs and Working 6. Office and Factory 7. Weather 8. ---	---

### 4. 準備学修（予習・復習等）の具体的な内容及びそれに必要な時間

Students should spend 20-30 minutes reviewing notes and materials from previous classes and preparing for the next lecture.

### 5. 課題（試験やレポート等）に対するフィードバックの方法

Each instructor will have their own method of evaluating and testing each student. All testing formats and procedures will be decided by each instructor.

### 6. 授業における学修の到達目標

- To develop English communication skills.
- To use English to talk about various topics.
- To study with a native-speaker or fluent Japanese teacher.
- To learn English by using English.
- To enjoy English.

### 7. 成績評価の方法・基準

Grades will be based on: Test scores 50% Class participation 30% Quizzes and reports 20%

### 8. テキスト・参考文献

Classroom set textbooks, references and other materials will be announced by each instructor.

### 9. 受講上の留意事項

Between classes, it will be beneficial to students if they attempt to use authentic English through reading and

listening to various media sources on topics that are most interesting to them.
